

Community Investment

United Way
of Northeast Louisiana

From orientation to allocation, learn what it means to be a United Way of Northeast Louisiana Community Investment Committee Member

Phase 1: January 2016

Community Investment Panel Assignments

You'll be assigned to one of four panels:

- Education
- Income
- Health
- Basic & Emergency Needs

Orientation

Learn the process and review Volunteer Manual

Agency Tours

Committee members will visit and observe each agency. Agency representatives present the Who, What, When, Where, How and Why of Agency programming as it relates to United Way of Northeast Louisiana's four community focus areas: Education, Income, Health, and Basic & Emergency Needs.

Phase 3: April 2016

Agency Presentations

Agency representatives present funding requests to the Committee, as well as explain agency budgets and what they plan to do with the funding if awarded.

Scoring

In the weeks following agency presentations, the Committee will score each agency based on program effectiveness and innovation, collaboration, organizational capacity, and community impact.

Phase 4: May 2016

Allocations

The Committee will determine how funding is allocated to our Partner Agencies. The Committee's recommendation is then sent to the United Way of Northeast Louisiana Board of Directors for Approval at the May 2015 Board Meeting.

Phase 2: February 2016

Documentation

Review each Partner Agency's outcomes from the previous year (documentation is available for review online, 2/4/7).

Phase 5: July 2016

Funding Awarded to Agencies

Partner Agencies begin receiving approved allocations.
