LEADERSHIP GIVING

At the heart of United Way of Northeast Louisiana is a dedicated group of people with strength, character and a sense of purpose who inspire others to help meet the needs of the community.

The United Way of Northeast Louisiana Alexis de Tocqueville Society represents the highest level of leadership giving and recognizes local philanthropic leaders and volunteer champions who have devoted their time, talent, and funds to create long-lasting changes by tackling Northeast Louisiana’s most serious issues, changing lives through philanthropic leadership and action. Tocqueville Society benefits include invitations to exclusive United Way events and engagement opportunities throughout the year.

The United Way of Northeast Louisiana Steamboat Society has been a major factor in the overall success of United Way of Northeast Louisiana’s community impact efforts and reflects the commitment of an individual or couple’s dedication to improving the quality of life in our community. Steamboat Society benefits include invitations to special United Way events and engagement opportunities throughout the year.

ANNUAL GIFT OF \$500-\$999

The Bayou Society was created in 2002 as a Leadership Society giving level for individuals or couples who annually contribute \$500-\$999 and are committed to the future of our community through their support of the work of United Way.

WITH SINCERE APPRECIATION

Every day, we see the impact of Leadership Society members who choose to invest in a stronger Northeast Louisiana. Your generosity creates opportunities for children to succeed, helps families achieve financial stability, and strengthens the communities we all call home.

As 2025 Tocqueville Society Chair, Roger Johnston shares why Leadership Giving is a meaningful way to make an impact in our community: "United Way's Leadership Giving provides a vehicle for effective philanthropy that is focused on the immediate needs of our community ... Of course, the dedicated group of full-time professionals at our local United Way provides the ongoing work and structure that makes this ideal a reality."

Pictured are Heather and Rick Guillot, 2025 Regional Steamboat Society Chairs with Roger Johnston, 2025 Tocqueville Society Chair

and lead by example: "Giving through United Way helps to create opportunities that empower individuals, strengthen families, and improve the quality of life across our community. ... Leading by giving means setting an example of compassion, purpose, and belief in the potential of our community."

Joining them in leadership, Tami and Lamar Johnston, D.D.S., also served as the 2025 Lincoln, Union, and Jackson Parishes Steamboat Society Co-Chairs. Their commitment and generosity embody the spirit of the Steamboat Society and the collective impact made possible when individuals come together to strengthen Northeast Louisiana.

Together, their leadership reflects what makes our Leadership Society so meaningful: individuals who invest in lasting change and inspire others to do the same.

Thank you for your generosity, your leadership, and your commitment to creating a stronger Northeast Louisiana. We are grateful to serve alongside each of you.

That same spirit of generosity inspires Heather and Rick Guillot, 2025 Regional Steamboat Society Chairs: "We feel that we are called to be good stewards of the blessings we have, and we sincerely believe the United Way is an incredible vessel to meet the needs of our most vulnerable members of society. ... We are grateful to be just a small part of what United Way is doing for our community!"

For Sidney and Shawn David Murphy, Jr., D.D.S., 2025 Lincoln, Union, and Jackson Parishes Steamboat Society Co-Chairs, giving is an opportunity to make a lasting difference
